

2020 Neighborhood Grants to Promote Racial Equity

The Starbucks Foundation has selected more than 400 organizations across the U.S. for its fourth round of Neighborhood Grants. These grants were informed and inspired by Starbucks partners who voted or nominated for organizations working to advance racial equity in their communities. Neighborhood Grants are intended to help build sustained local impact and inspire increased partner volunteerism with nonprofit organizations that work in our communities. Neighborhood Grant recipients are nominated by Starbucks partners and final decisions are made by The Starbucks Foundation based on eligibility criteria.

The selected Neighborhood Grant recipients are:
